## **BY: PAT & JIM BREWINGTON**

Hello everyone!

By the time you receive this Christmas will be over. We hope everyone had safe and happy holidays. Our first event of the new year is fast approaching us. Our annual Polar Bear Ride we be Sunday, January 1st. We will meet at the Perkins Restaurant at Park and White Station at 8:30 with kickstands up at 8:45 am. If it is too cool cold to ride your bike then come and meet is in your car. Lets start the new year off right with a good time of fun and fellowship on the river. I will try and find us a place to go afterwards if any one wants to just warm up or have some lunch. For those of you that are new to our group I will explain what the Polar Bear Ride is. Each year we meet to ride down to the river to watch people water ski and wake board in the Mississippi River for charity. There will be a great crowd to attend this each and

every year. Can you imagine just how cold that water will be?

Mark your calendars for our first meeting of the year. We will be meeting at Barnhill's in Collierville at 6:30 to eat and have a short meeting at 7:30pm. Please fill out your surveys and get them to us . We would like for the staff to start planning as possible for the activities and rides you would like to do this next year.

Mississippi Chapter I will have their annual "Old Fashion Country Hoedown," on January 28th. So be sure and mark your calendars for this. I will have more info on this at our meeting.

You will be getting a calling post about the Polar Bear Ride.

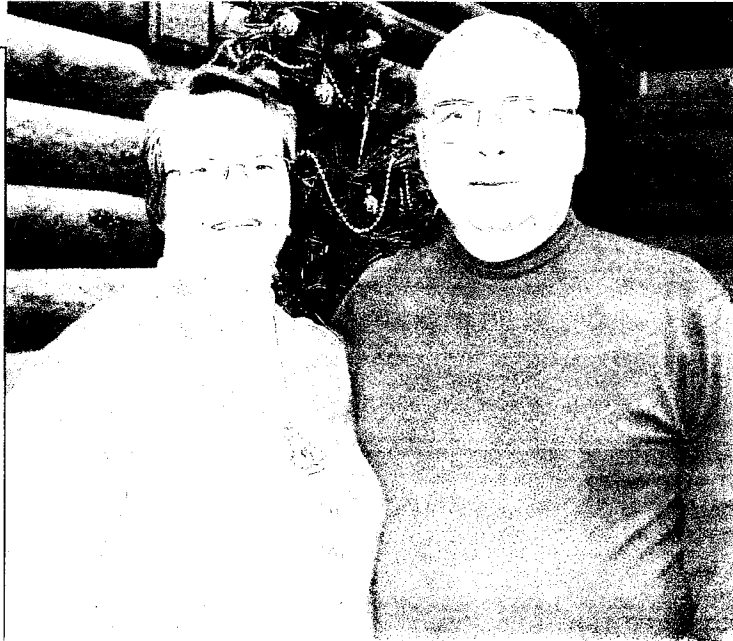

Until then we hope everyone has a very "Happy New Year."

Pat and Jim

## Rider Education

### By: Ruth Bolden

Happy New Year.

I hope all had a wonderful Merry Christmas and Happy New Year. Our W-2 Christmas party was great, lots of fun as is usually the case. We had a great turn out and certainly missed the members who couldn't make it.

For some of you it is time to renew your Rider Education Level. A few months ago I wrote about each level and the renewal requirements. There are no renewal requirements for Level I. Any one who enrolled in any level in October or later will not have to renew. As for the Level IV, the Master Level, you will no longer renew through the home office. Effective with the 2006 annual renewal, no renewal fee will be charged to any Master that is continuing their participation in the Program. Master Tour Riders will still be required to provide renewal information annually. The annual renewal hanger bars will be

made available for purchase (\$2.00 each) through the Region/District/Chapter channels as other Rider Education Program patches and pins are currently. Anyone wanting to renew levels II, III, or IV please see me at the January meeting.

We have done pretty well this past year, added some to the Rider Education Program, some have advanced to the next level. We have had only a few minor incidents and all and all had a safe year. I pray that continues this New Year.

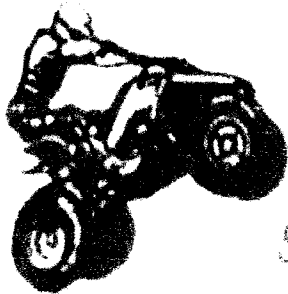

If there is anything regarding Rider Education you would like addressed, anything you need from the Rider Education Program or anything you would like the chapter to do as a group in relation to Rider Education, please talk to me about it.

**RIDE SAFE, RIDE SMART.**
